ABSTRACT

Welcome to Brew U's presentation of the first annual Stainless Chef Competition. There are three porters to sample, cleverly named A, B, and C. Please sample these porters and fill out the scorecard located on the back of this very piece of paper.

Subject headings: beer, porter—beer:taste—beer:appearance—beer:aroma

1. Porter

1. from the Latin *portare*, meaning to carry
2. "A porter's beer"; a heavy dark brown beer brewed from browned or charred malt

1.1. History and Famous Porters

Porters originally were classified as a beer style that was popular with transportation workers in central London, circa 1750. They were originally a combination of ales varying in age and strength. In Victorian England, they were also commonly known as "Entire Butt".

- Eliot Furness Porter (1901-1990); American photographer credited with establishing color photography as an art form
- Henri Pompier Porter (1866-1891); French man receiving the first documented sex-change operation.

¹present address: East Side Brewing-Medfield
